T. A. BECKETT, Nursery Manager

This is a preview of what we have to offer you this fall. We feel that such lists and catalogs are rather meaningless, as plants MUST BE SEEN to be fully appreciated. Much work with pruning shears has given us excellent quality. All plants quoted B & B except azaleas.

NURSERY STOCK

Abelia Grandiflora and Edw. Goucher

18-24"-1.25	24-30"-1.50
gallon cans—.75	

Aucuba variegated
